Dear Council Chair Marshall,

Re: Sub-metering of Water Usage

At its February 14, 2008 meeting, the Aliamanu/Salt Lake/Foster Village Neighborhood Board No. 18 voted to indicate its opposition to sub-metering of water usage in individual apartments. The motion was adopted by a vote of 6-0-1. Board members cited the cost for retro-fitting and the lower average water rates for condos and apartments.

Thank you for your efforts in responding to this and to other community problems.

Sincerely,

Lennard J. Pepper
KJH
